MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Office of Training Response to the Inspector General's Survey of the CIA Training Program, August 1960

1. Attached is the Office of Training response to the Inspector General's Survey of the CIA Training Program, August 1960. This response is in three parts: general reactions, specific comments on each of the recommendations made in the Survey, and detailed comments on the text.

2. In its present form, this response is intended for the Deputy Director (Support) only. Its parts I and II can be modified for transmittal to the Inspector General. Part III, however, might better be withheld for discussion at a later date, for clarification, with the Inspector General.

3. In Part I I have included four general observations of major concern. The first three of these I believe should be brought forcefully to the attention of the Inspector General. I defer to your judgment as to whether the fourth general comment should also be transmitted, or eliminated.
